HUMAN SERVICES

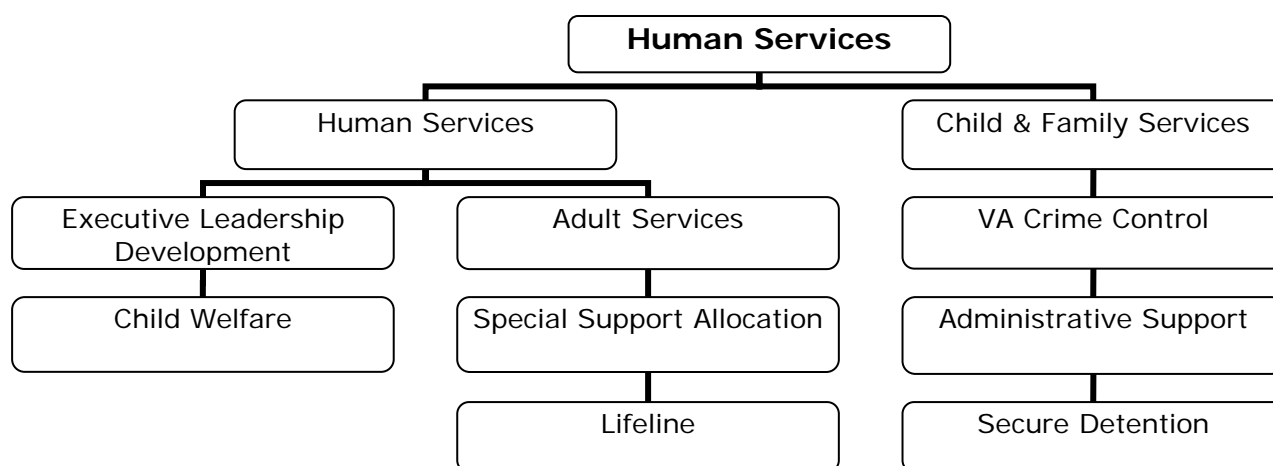

MISSION STATEMENT

The Department of Human Services enhances the quality of life for residents by helping them to reach their capacity to become productive and self-sufficient, to bring about a stronger and safer community, and to prevent dependency.

DEPARTMENT OVERVIEW

The Department of Human Services (DHS) is a multifunctional agency that strengthens children, families, and individuals through the provision of social services, behavioral care and juvenile justice services. Specific services include benefit eligibility determination, case management, childcare, workforce and youth development, and other programs and services for children, youth, elderly and the disabled. The department works cooperatively with community organizations to ensure these comprehensive services are available to children, families and individuals.

In addition to the services described above, the department provides child protective services, preventive services for at-risk families, custodial and non-custodial foster care, adoption services, transitional support for children aging out of foster care, and operates a detention center for juvenile offenders. The department also protects elderly citizens from abuse and neglect, provides services for the homeless, and assists low-income residents with utility payments.

BUDGET HIGHLIGHTS

The total FY 2009 budget for the Department of Human Services is \$60,672,900. This is a \$469,400 decrease from the FY 2008 budget. This less than 1 percent decrease is attributable to an adjustment in funding that more accurately reflects revenue and

expenditures. The adjustment includes a targeted reduction which is partially offset by non-personnel expenditures and increased healthcare costs.

The targeted reduction is applied to contractual services as well as the elimination of 16 positions. The reduction is consistent with one of the citywide cost containment strategies used to balance the FY 2009 budget.

KEY GOALS AND OBJECTIVES

- Provide 24-hour screening and referral services for reports of child abuse and neglect and validate 95 percent of a projected 1,220 referrals within 24 hours.
- Provide quality Family Preservation services through agency staff, referral to Community Resources, or purchase of Intensive In-Home services from a Community Provider based upon assessed family needs.
- Provide research, strategic planning and program monitoring and evaluation services.
- Employ in-house Family Team Meeting facilitators for all child and family cases to assist families with their decision making skills.
- Ensure at-risk families safely maintain children in their homes, or with relatives in 85 percent of cases referred as a result of a Child Protective Services (CPS) finding.
- Partner with the Community Service Board (CSB) to increase the number of new detention youths (first timers) who participate in outside CSB services by 10 percent as part of a comprehensive prevention strategy.
- Update financial policies and procedures and the system of internal controls to assure full compliance with all local, state, and federal rules and regulations.
- Create formal financial support programs to enhance service delivery through improved vendor payment processes, enhanced compliance with federal documentation requirements, and quality improvement plans.
- Modify the department's automated systems as needed to address state and federal policy and regulation changes. Achieve 100% use of EZ Filer paperless system.
- Stabilize homeless families in supported housing environments through improved procedures utilized by the Homeless Action and Response Team (HART).
- Continue to increase the work participation rate for Virginia Initiative for Employment not Welfare (VIEW) Program, and increase enrollment in the Food Stamp Employment and Training (FSET) Program.
- Enhance life skills services for a minimum of 86 youth ages 15 years and older.
- Increase Food Stamp participation in food insecure households by supporting community outreach activities.
- Continue to provide outreach detention services and Weekend Incentive Sanction Programs for moderate risk juveniles.

- Continue work associated with achieving American Correctional Association Accreditation (ACA) for Norfolk Juvenile Detention Center and Council on Accreditation (COA) for Child and Family Services Division.
- Develop a collaborative community action plan for early childhood education in Norfolk.
- Implement a Performance Accountability Model for measuring the effectiveness of agency programs.

PRIOR YEAR ACCOMPLISHMENTS

- Impacted the lives of nearly 45,000 Norfolk residents through the Self-Sufficiency/Workforce Development programs. These federal and state funded programs provided financial benefits to Norfolk residents amounting to \$267,444,240.
- Reduced the number of children in custodial and non-custodial foster care from 397 to 322. As a result of the reduction there are now 285 children in custodial care and 37 children in non-custodial foster care.
- Decreased pre-dispositional admissions by 17.4 percent in FY 2007.
- Formed a partnership between CPS and a private in-home services agency to provide intensive services for sexual and physical abuse trauma victims and their families. 65% of all families involved in trauma cases received these intensive services.
- Awarded FY 2007 Certificate of Excellence by the Virginia Department of Social Services for outstanding performance with a Food Stamp payment accuracy rate of 99.41%.
- Adopted an evidence based home study format, Structured Analysis Family Evaluation (SAFE), for conducting home studies for foster and adoptive parents in house.
- Provided HART services in FY 2007 (July through December) for 1,003 single adults and 4,132 families.
- Coordinated the 2008 Project Homeless Connect. Served 853 individuals. Conducted 166 employment interviews, issued 181 Identification Cards, approved 164 expedited food stamp applications, and approved 57 individuals for permanent housing.
- Enhanced adoption awareness opportunities by expanding the State Social Services' Heart Gallery initiative by creating a Norfolk Heart Gallery featuring 37 children.
- Developed and began implementing a tool and protocol for making Adoption Subsidy decisions.
- Underwent a successful evaluation by the U.S. Department of Health and Human Services Office of Civil Rights concerning compliance with federal adoption statutes.

PUBLIC HEALTH

MISSION STATEMENT

The Public Health Department protects the health and environment of Norfolk through surveillance, service and enforcement, and through building the capacity of residents, individually and collectively, to protect themselves.

DEPARTMENT OVERVIEW

The Public Health Department provides health services to improve and protect the community's health. This is achieved through early identification and reduction of risk from communicable disease; hazardous and toxic substances; biological hazards; including food borne, waterborne, vector borne, or airborne risks. This is also achieved through programs of immunization; case management; health promotion and prevention; surveillance; investigation; data collection; analysis; enforcement of health regulations; and direct client service for the infants, children, families and vulnerable populations in Norfolk. The Department's organization recognizes the functional areas of: Medical Services, Nursing Services, Environmental Health Services, Epidemiologic Services, Laboratory Services, Health Promotion, Child Developmental and Behavioral Services Administration and Emergency Planning.

BUDGET HIGHLIGHTS

The total FY 2009 budget for the Department of Public Health is \$6,054,200. This is an increase of \$219,100 over the FY 2008 budget. This 3.8 percent increase is attributable to a 4 percent increase in the State and City cooperative budget, which is partially offset by a targeted reduction in non-personnel services.

The Department of Public Health budget includes a targeted reduction in non-personnel expenses. This reduction is consistent with one of the citywide cost containment strategies used to balance the FY 2009 budget.

KEY GOALS AND OBJECTIVES

- Strengthen community networks for prenatal early identification and infant services to reduce infant mortality.
- Decrease risk of foodborne incidents through assuring food safety using education on food preparation and handling practices, and enforcement of food codes and regulations; and increase food establishment compliance with principles of Hazard Analysis and Critical Control Point Program.
- Augment emergency response for public health emergencies through Medical Reserve Corps and community outreach.
- Assess risks and hazards to the public's health from disease and environmental conditions and decrease preventable disease and illness. Promote the role of a healthy environment in raising healthy children.
- Investigate, analyze, and intervene prior to transmission or illness through risk analysis, surveillance and screening programs, and early intervention.
- Increase timely reporting of disease by physicians, laboratories and facilities, and interrupt disease transmission through improved infection control practices within the community.
- Work with schools and neighborhoods to increase awareness of the importance of fitness and promote smoking cessation, healthy nutrition, exercise, and injury prevention.
- Increase youth development services through Virginia Cooperative Extension program.

PRIOR YEAR ACCOMPLISHMENTS

- Recognized by the Commonwealth of Virginia Safety Star Award for exceptional efforts and exemplary performance of Occupational Health and Safety Program.
- Provided rapid testing and counseling for HIV with early identification and referral for treatment services.
- Provided arboviral surveillance and beach monitoring programs to identify environmental hazards impacting human health, and directed programs to reduce the hazards.
- Concentrated efforts on wellness and fitness. Worked with neighborhood groups on developing walking trails and other fitness activities. Worked with Norfolk School Health Council in measures to address reduction of disease transmission and promotion of healthy nutrition in school aged children.
- Conducted training with Certified Childcare Health Consultants for day/child care providers on child health, safety, communicable diseases, and medication administration. Provided site visits to assist in the meeting of state regulations and implementation of positive changes.
- Expanded health emergency preparedness planning to include pandemic influenza, and contingencies for continuity of operations under prolonged illness conditions.
